References to “TPI Composites,” “TPI,” “we,” “us,” and “our” are used in the manner described in the Preliminary Prospectus. The following information updates and supplements the information contained in the Preliminary Prospectus:

On July 18, 2016, we were notified by one of our customers that a wind blade we manufactured failed in India on July 17, 2016. We do not yet know the specific circumstances surrounding this event, including the potential causes or contributing factors to the event, such as weather. We plan to work together with our customer to review the circumstances surrounding the event and determine what may have occurred.

Please see “*Risk Factors—Risks Related to Our Wind Blade Business—Defects in materials and workmanship or wind blade failures could harm our reputation, expose us to product warranty or other liability claims, decrease demand for our wind blades, or materially harm existing or prospective customer relationships*” on page 21 of the Preliminary Prospectus.

TPI has filed a registration statement (including the Preliminary Prospectus) with the Securities and Exchange Commission (the “SEC”) for the offering to which this communication relates. Before you invest, you should read the Preliminary Prospectus in that registration statement and other documents TPI has filed with the SEC for more complete information about TPI and this offering.
